

?Let?s make a simple Bacon & Cheese Burger? Sue said. We had half of a pack of Yellow Sticker Beef Mince (We?ve doing Spagboll with the rest tonight) Where we always fail is the ?Simple? part!!!!

Nobody in their right minds will try to replicate this, so a recipe would be pointless. But basically we had toasted home made Gluten free Buns, cut and grilled. Home made Marie Rose sauce on the bottom section of bun. A layers of Salad, Gherkins and sliced Tomatoes. Then the hand pressed Burger with Chilli Cheese melted over the top. Well grilled Bacon and the top bun. Then three home made Onion Rings!

See we can do a simple Burger ? It?s just that we don?t?...

We had Discount fridge Stuffed Vine Leaves and hand cut chips with ours. The Food Coma is still lingering!!!!
