

**OK we might have to admit to liking Garlic, a bit?..**

**(1)** Back = Sprouting bulbs we were given and planted. Good for Salad greens until Autumn.  
We'll eat or pickle them after that....

**(2)** Middle Right = Two week old Lacto ? Ferment with Red Onions.

**(3)** Middle Left = A new ferment - Ready in 4 weeks of so.

**(4)** Middle Middle = Fermented Garlic when it's done.....

**(5)** Front = Our next victims!!!!

**We have very few friends. Mainly because we stink!**
